Re: Valley Swim Team PHOENIX 2007 Sponsorship Drive

If you have not already heard of us, let us introduce you to the Valley Swim Team PHOENIX. Our team is a member of USA Swimming, the national governing body for amateur competitive swimming in the United States. We provide swim team coaching for children ages 5 to 18 from several surrounding counties including Warren, Shenandoah & Frederick County. We practice at the **PHOENIX Fitness and Aquatics Center** (Signal Knob Recreation Center) in Strasburg, Virginia.

Under the guidance of swim coaches, board members and many proud and supportive parents, Valley Swim Team PHOENIX strives to promote our mission to provide a competitive swimming environment for young swimmers to experience personal and team growth in a fun & safe environment. With commitment and perseverance, we strive to inspire great character and integrity for life through the sport of swimming.

Although parents can provide the time and energy for swim meets and practices with their children, and the coaches can improve the skill and character needed to be competitive swimmers, the team needs financial support to provide all of the amenities to support the swimmers.

Sponsorship of our team would be greatly appreciated. Your generosity may be acknowledged in several ways with our different levels of sponsorship. The levels are outlined within this packet. We hope you will find one which will fit your 2007 advertising budget.

Please contact our sponsorship coordinators at the following e-mail addresses and/or phone numbers for more information or to pledge a sponsorship. Thank you for considering this request to support our VSTP swimmers and we look forward to hearing from you soon.
